Kelowna. Our very best Pinot Noir blocks were handpicked into 30

pound totes and vinified in small lots, using a combination of native and non-native yeasts. The small batches were then placed into a selection of new and seasoned French oak barrels for 12 months and blended just prior to bottling in September 2013.

Burrowing Owl Pinot Noir 2012:

The palate is rich, lush and silky with brambly mixed berry, raspberry and spiced raspberry pie filling all balanced with crisp acidity and a nice savoury side of spice, earth, dried sage, potpourri, pastry crust and dry forest floor flavour with a long finish. Should cellar well for 6-8 years.

Burrowing Owl Athene

2011: A modern BC blend with the soft richness of Syrah blended with Cabernet's structure and verve. The palate is full and intensely flavoured, with firm yet ripe tannins, lots of cassis, blackberry, blueberry, and plum, earthy dried sage, cedar, burlap, and dusty mineral notes and a long finish suggesting a great ability to develop in the bottle.
