

Sample Will Wording

Thank you for considering a gift in your Will to Wildlife Preservation Canada.

The following are the types of gifts along with sample wording that could be used to designate the type of gift you would like Wildlife Preservation Canada to receive.

- **Unrestricted gift:**

I give the sum of \$_____ or _____% of my Estate (or the residue of my Estate) to Wildlife Preservation Canada to be used for its general charitable purposes.

- **Restricted gift:**

I give the sum of \$_____ or _____% of my Estate (or the residue of my Estate) to Wildlife Preservation Canada to be used for (description of what the donor wishes).

Should a restricted gift be named, it is advisable to insert a Power to Vary clause, in the unlikely case that in the future the gift can no longer be used for the expressed restricted use.

- **Power to Vary Clause:**

If changed circumstances should at some future time make it impractical, impossible or inadvisable to use all or part of the gift for the designation identified, then Wildlife Preservation Canada may re-designate all or part of the gift, provided that any such re-designation shall adhere as closely as is reasonable possible to the donor's intent as set out in this document.
